

No	Case Number	<p>FOR OFFICIAL USE ONLY</p> <p>U.S. Army Accident Information</p> <p>Class A Ground Accidents for FY 2014 for Oct 01 thru Sep 10</p> <p>Primary Accident Type is AMV</p> <p>CASES=8</p>
1	20140910001	Two Soldiers were asleep next to an LMTV when the vehicle rolled backward running over them. One of the Soldier was MEDEVAC to the hospital and the other was pronounced deceased at the scene.
2	20140807005	Soldier was operating LMTV on interstate with another Solider as PAX. The LMTV was struck by a POV causing the LMTV to overturn. LMTV PAX was pronounced deceased at scene.
3	20140724001	Accident vehicle (M1151A1 HMMWV) with four Soldiers were traveling in a convoy to a Live Fire Complex when the vehicle rolled over fatally injuring the TC.
4	20140206001	TMP bus struck a light post which fell across it lane after being struck by a POV in the opposite lane. The TMP bus was returning from the airport after completing the SEATAC airport detail to support redeploying Soldiers. One Soldier was fatally injured and 2 were hospitalized.
5	20140107002	Soldier was ground guiding the vehicle to negotiate the MP gate when he either mis-stepped or slid on ice/slush and slid underneath the moving LHS, btw the 2nd and 3rd axles. The remaining 3 axles subsequently traversed his body and he suffered fatal injuries as a result.
6	20131122001	Two Soldiers (MAJ, PFC) were declared missing during a training mission. Search operations were conducted and led to the location of a HMMWV and the Soldiers' remains in a body of water. The bodies were recovered by ROK divers and the Surgeon declared both Soldiers deceased.
7	20131018005	Vehicle was en route to the training site via an (improved) trail when it jolted upon contacting a run-off. Driver's door came open in the sequence and he was partially ejected and pinned when the vehicle turned onto the driver's side. EMS declared the driver dead at the scene.
